Fundraise for BirdLife International

Your support will help us make sure that common birds stay common. It will stop threatened species like Andean Condors disappearing from our world. And it will speed up the changeover to renewable energy and kinder ways of living. It's only with your support that we'll be able to protect the world we share.

*By ticking the "Yes" box, I agree I would like BirdLife International to reclaim the tax on all qualifying donations I have made in the past four years, as well as any future donations, until I notify them otherwise. I understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year I may be asked to pay any difference. I understand that BirdLife International will reclaim 25p of tax on every £1 that I give.
